

Critical Thinking At The Bedside : *Strategies that Work!*

The purpose of this interactive seminar is to provide insight on how to improve patient outcomes through critical thinking skills. Course content will include a critical thinking model, symptom analysis, barriers to critical thinking, and strategies that promote critical thinking in clinical practice.

PROGRAM OBJECTIVES:

Upon completion of this program, participants will be able to:

1. Analyze foundational principles of critical thinking.
2. Differentiate critical thinking and non-critical thinking behaviors.
3. Perform Symptom Analysis.
4. Explore practice strategies that enhance critical thinking in clinical practice.
5. Influence critical thinking skills of nurses when precepting.

TARGET AUDIENCE:

Nurses, nursing faculty, preceptors, nursing students, and healthcare professionals who want to enhance their critical thinking skills .

INSTRUCTOR:

Pam Collins, RN, MSN, CMSRN, MEDSURG-BC, NP-D-BC

Pam has more than 40 years of varied nursing experience that includes administration/management, education, and work as an education and legal consultant. While Pam currently works as an Independent Consultant, she also works for a large healthcare system in Charlotte, NC. Pam is dually certified in medical-surgical nursing from the American Nurses Credentialing Center and the Academy of Medical-Surgical Nurses and is also certified in Nursing Professional Development. Pam has extensive experience in leadership, education, and the legal aspects of nursing practice.

Pam's accomplishments include published author of articles, textbook chapters, and most recently, a medical-surgical nursing certification review book. She speaks nationally on clinical, leadership, and legal topics for healthcare professionals. Pam has been the recipient of various awards, served as a flight nurse in the United States Air Force Reserve, and is active in her church and community.

NURSING CONTINUING EDUCATION CREDITS:

This nursing continuing professional development activity awards **2.5 contact hours** upon successful completion.

Consultation On-Call is approved with distinction as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Participants must attend full course to be eligible for credit.
No partial credit is offered.

CANCELLATION POLICY:

Registrations are accepted until programs are filled. All cancellations are subject to a 10% processing fee. Please allow up to 10 business days for processing refunds. Participants canceling between 10 calendar days and 48 hours prior to the program will receive an 80% refund. No refunds or credits will be given for cancellations received less than 48 hours prior to the program. Participant substitutions are allowed and must be made in writing. Consultation On-Call reserves the right to cancel a continuing professional development program.

AMERICANS WITH DISABILITIES ACT (ADA) STATEMENT:

Consultation On-Call is committed to equality of educational opportunity and does not discriminate against applicants, students, or employees on the basis of race, color, religion, sex, national origin, age, disability or veteran's status. If you require reasonable accommodations for a disability in order to participate fully in a continuing professional development activity, please contact us no later than 10 calendar days before the date of the activity.
